School Satisfaction Survey

This year, school satisfaction surveys for students, parents and staff will be conducted during September. These surveys contain questions on a range of matters about our school.

This survey provides an opportunity for students, parents and staff to provide important feedback. This feedback is valued by our school as a means of identifying what the school does well and opportunities for the school to make improvements.

Students (from Year 5 and above), parents and staff will be invited to participate. Those students who are selected to undertake the survey will do so during school time.

You will receive a letter in coming days if you have been selected to participate in the parent survey.

Your responses will be secure and anonymous.

We encourage you to participate and complete the survey so that the school has a clear direction when planning for future programs and services for students.

Please contact the office if you wish to use a school computer to complete the survey. Our school staff will be more than happy to assist you with internet access if you do not have it at home.

Kind Regards
Bonnie Jeffrey

From The Office....

Volunteers required...
We are asking for volunteers to help in our Stephanie Alexander Kitchen Garden on Fridays from 9:00am - 1:00pm. Please see Miss Lawton in Grade 1-2-3 or contact the school office for more information.

School Gates and Visitors
The school gates are now self closing (not locked) and we would like to inform the school community to be vigilant when entering the grounds to ensure that you close the gates behind you. We would also like to remind parents/carers when entering the school during school times that it is a requirement for all visitors to sign the visitors book.

Teach road safety from an early age

Walking and cycling helps children learn how to be safe around roads.

- Help your child learn about road safety by:
- Using pedestrian crossings, traffic lights and footpaths.
- Teaching road and pedestrian rules.
- Supervising children at pedestrian crossings.
- Making sure that protective gear such as helmets are worn when riding.
- Holding hands to cross roads.
