Snow forecast to fall to low levels again tomorrow
Our school Facebook page is the best place to look for up-to-date information about whether our school will be open tomorrow. At this stage, I'm expecting we will be open although some teachers may not be able to get to school and we may have to join some classes together like we did yesterday. Please check the Goodwood Primary School page from 7:30am.

Assembly Celebrations
It was lovely to see so many of you join us at our Assembly on Friday. The quality of student work was very high and most impressive was the way our students were able to explain what they had learnt. Our assemblies are on every second Friday and the next one will be on Friday, 14th August at 2:00pm.

Japanese and Music begin this week
I am delighted to inform you that all students form Kinder to Year 6 will be able to begin Japanese lessons with Akiko Hashimoto this week. Mrs Hashimoto has taught Japanese in Victoria before moving to Tasmania. Learning a language other than English is an important part of the Australian Curriculum as it allows students to learn all about another culture and country as well as their language. Welcome to Mrs Hashimoto!
Miss Kate Gray is also joining us this week. Miss Gray has extensive experience teaching music in Tasmania and mainland schools. Miss Gray also worked as Education Officer at the Tasmanian Symphony Orchestra. We are very lucky to have Miss Gray join our staff and the students will certainly benefit from her music lessons. Welcome Miss Gray.

Community partnerships
We have connections with a number of community groups and the list is growing. Every Tuesday (weather permitting) beginning next week Glenorchy Football Club will be offering skill development sessions at lunchtime on our school oval. Different classes will be rostered into the program so that all children can have a turn at learning new skills with the help of the Glenorchy footballers.

Premier’s Reading Challenge
Congratulations to Amala Webb, Year 1. Amala re-designed the cover of her favourite the story, Fantastic Mr Fox and won the state-wide prize for all Year 1 students. Amala told us at Meet and Greet how she spent three nights at home working on her design before entering it in the Glenorchy LINC competition. She won a book and stationary prize. Well done on making such a great effort, Amala.

School Association Meeting postponed
Due to circumstances beyond our control the School Association meeting has been postponed until later in the year. Thank you to everyone who nominated to be part of the Association. There are other ways you might like to be involved in the school. Please come and see me if you are interested.

Prize Portal Competition Launches in Term 3

A Prize Portal from another dimension has appeared on Planet Savings, giving students who demonstrate good savings behaviour the chance to win one of hundreds of astronomical prizes.

To activate the Prize Portal, students must simply make three or more School Banking deposits during Term 3. They will then automatically be entered into the competition for a chance to win one of these prizes:

- 75 x iPad minis Wi-Fi 16GB
- 125 x Beats by Dr. Dre Solo²™ Headphones
- 200 x $30 Booktopia Gift Certificates

Students can also complete a Money Mission at commbank.com.au/prizeportal to double their chance of winning a prize. Students can complete the Money Mission at any time during Term 3, but are required to make three deposits by the end of Term 3 to double their chance of winning.
National Tree Day at Goodwood Primary

On Friday 24th of July, each class planted seedlings in the playground. We chose the site between the oval and the fence, so that when these plants grow, they will screen the industrial buildings. The trees will also provide a beautiful natural view and a place for insects and small animals to live.

National Tree Day is a special day for all Australians to plant native trees and shrubs to improve the environment in which we live.

Congratulations to the following students who received Reading Certificates and Class Awards at the end of the Term 2 Assembly:

What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!
I realized quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use.
